

## ENGLISH - SPEAKING & LISTENING

### LEVEL 2

- I can talk confidently about things in my life
- I can communicate my ideas clearly
- I can listen carefully

### LEVEL 3

- I can follow the main points of a discussion
- I show that I listen carefully by talking & asking questions about what others have said
- I am starting to understand when people should use standard English

### LEVEL 4

- I can explain my opinions clearly
- In class I regularly make useful comments, and ask searching questions
- I know the difference between slang & standard English, and I also know when people should use standard English

### LEVEL 5

- I know how to use words & gestures for effect so that my talk is interesting
- I listen carefully to other people's ideas, and show respect for other's views
- I generally use standard English when appropriate

### LEVEL 6

- I can adapt my vocabulary & expression according to the situation
- I take an active part in discussion and listen & respond thoughtfully to other's contributions
- I use standard English on all appropriate occasions

### LEVEL 7

- I use vocabulary precisely and organise my talk clearly
- I can assess others' ideas
- I can judge when I should lead a discussion & when I should encourage others' to participate

### LEVEL 8

- I am a confident, articulate & perceptive speaker and listener
